

For those coming from Santa Clara County, head east on CA Hwy 152 East. That's the same street as 10th Street on the west side of Hwy 101. Its name changes to the Pacheco Pass Highway at some point but is always CA 152. You proceed for a for about 12 miles where you will merge with CA Hwy 156 East that comes from Hollister. Whether you are coming from Gilroy or Hollister you will continue on the now combined Hwys 152 and 156 headed for Pacheco Pass.

From Hollister you will most likely get onto Hwy 156 East from either San Felipe Road or Fairview Road.

After reaching the 152/156 merge, drive between 1-2 miles and exit right at the Casa de Fruta exit and turn left onto Casa de Fruta Parkway. You will see, in passing, the Fruit Stand, the Restaurant, the Chevron Station, and much more. There are smaller roads into the area labeled 'Enter 1', 'Enter 2', . . . Turn Right onto Enter 5. Immediately turn left onto a road that parallels the Parkway. Drive about 60 yards toward a flagpole dead center ahead, but turn right at the first opportunity. You will see the RV Park on your left, and the Pacheco room on your right next to the RV/Inn office. A bit further ahead there is some parking and a building marked Rest Rooms. Park in that area.
